

A Vision of Democracy

Think About It: What is a democracy?

Draw About It: Design and create a visual representation of what you believe symbolizes a democracy.

Write About It: Write a paragraph explaining your illustration. In your writing you must also answer the following question...

“Why is democracy important to our country and how does it provide you with a better life?”

Hint: You must use AT LEAST one amendment to help explain your reasoning!

Question It: Visit other students illustration and write a question that you have for them about their design and how it pertains to democracy. Leave the post it on the desk of that persons artwork!

Discuss It: As a class, let's look at your questions and have a discussion!
